

Performance Cosmetics, Hair, Costumes and Shoes

Cosmetics should be applied at home. All colors must match the required studio cosmetics colors.

Eyes, lips and cheeks= Berry Tones (pinks, raspberry, purples, plums)

Black Mascara and eyeliner are a must for any dancer older than *Tiny Dancer*

Inter/Adv dancers may wear false eyelashes

Hair should be done at home. Materials to hold bun in place must be the same color as hair. No bun covers or scrunchies. A thin hair net works great. Hide all wispy hairs by using hairspray or gel. **All bangs should be away from the face-** See Miss Mallory if you have questions about how to get bangs off of your dancers face

All performers are required to have their hair in a ballet bun in the middle of their head unless otherwise stated directly by their teacher

Tights and Shoes: Capezio or Bloch Brand

FINALE COSTUME

Each student is required to wear their “**As Seen On TV**” **Recital T-shirt**, *white* socks and white sneakers along with a **Black** skirt, shorts or pants. This helps create a uniformed look for our Finale Number (at the end of the recital)

Thank you!
